

# The Crane That Makes Service Simple

How? Auto Crane® engineers the world's most innovative, rugged, safest service cranes, service bodies and accessories. We help you make the most of your mechanics' skills, *saving them time – and you money.*

**AUTO CRANE®**  
**55** years since we invented  
the original service crane

**MADE IN THE USA**

#### **More Productivity – One truck does it all**

- Organize and securely transport all the necessary tools
- Lift, load, replace, and repair heavy parts
- Safely transport oils, coolant, and fuel on the same truck

#### **Safest Crane – Patented NexStar™ Crane Management System**

- Eliminates overload conditions
- Fully proportional controls – simple, precise, responsive operation

#### **Lowest Cost of Ownership – Higher return on your investment**

- Smaller fleet required to service equipment
- Fewer mechanics per job, fewer trips to and from service site – lower labor and fuel costs

It's time to move to the service crane that launched an industry.
