

PBAF-350

## Your No-Ladder MSHA Approved Solution

## Auto Crane has developed a patent-pending single-piece personnel basket that is lightweight and collapsible

- 1 Folds for ease of assembly and disassembly
- 2 Does not need a bigger truck CA with a custom body to accommodate the basket
- 3 Fits existing Auto Crane 5,000 lb. capacity and higher
- 4 Folds & unfolds in minutes
- 5 Large 30" x 30" work platform
- 6 350 lb capacity (person and tools)
- 7 Solid construction of 6061-T6 aluminum saves payload and doesn't rust
- 8 Quick attachment adapter fits to most existing Auto Crane cranes
- 9 235 lbs total weight
- 10 ASME B30.23 compliant for B30.5 cranes
