

EXPERIENCE UNINTERRUPTED OPERATION
WITH EASY HANDLING AND A CLEAR DISPLAY

- **Extended Battery Life:** Rechargeable Li-ion battery.
- **Comfortable Control:** Ergonomic, one-handed operation.
- **Remote Support:** Quick diagnostics via Bluetooth-enabled phone.

PRACTICAL BENEFITS

- **Always Ready:** Keep your remote charged and secure in the docking station. The Remote Reminder (sold separately) ensures it's never left behind.
- **Comprehensive Warranty:** Enjoy a best-in-class 2-year warranty, covering everything including electronics.
- **Easy Troubleshooting:** Built-in diagnostics tool works with Android or IOs systems only.
- **Proven Durability:** Rugged remote control built to withstand tough conditions.
- **Simple Operation:** AutoDeploy and AutoStow commands for easy crane deployment and stowing. Speed ranges are adjustable on the fly for better control when site conditions vary.
- **Proportional Controls:** Joysticks and trigger offer multiple functions at various speeds:
 - **Joysticks:** 4 functions at 4 speeds.
 - **Trigger:** 4 functions at 1 speed.
 - **Speed Ranges:** 25%, 50%, 75%, 100%
