TITAN ARMOR

IT'S NOT ENOUGH TO JUST STAND — YOU HAVE TO FIGHT!

- Protects 10x longer than competitors
- Contains rust-spread from chipping and scratches
- Provides overall corrosion protection package from undercoat to topcoat
- Proven in salt, marine, and offshore applications
- Refined for interior surfaces to resist rust
- Enhanced for exterior surfaces to fill gaps and protect areas competitors leave behind
- Double the impact resistance of competitors
- Improved material bonding for better performance
